ACADEMIC PUBLISHERS
KOLKATA • INDIA
www.academicpublishers.in

We have considerable experience of publishing medical books in a variety of specialist fields written by teachers at the university level and attuned to the needs of students. These publications therefore have a very encouraging response and sales have fulfilled our expectations and those of the authors.

In the light of this, we are open to suggestions of further publications by experts who may feel that their work will find a ready market. Should you belong to this category, we would be happy to consider any proposal for publication. Please contact us at your earliest convenience so that we can jointly consider the venture in every relevant detail.
